easy to see that an extra session would bave cost far more than the back pay spiritism, and let the Bible alone. Criti-quantities of lead, but is more prolific of His resignation was accepted. amounts to, and that it is very doubtful cism of it is not his forte. He has Indian skulls, and is supposed to be the William Bross, one of the men in amounts to, and that it is very doubtful if the new congress would not have naised the salary for itself. Under these circumstances, did not Mr. Vaughn opeircumstances, did not Mr. Vaughn oppose the salary amendment just as long

law," and that "the legislative power not a wise provision is not now at issue. That congress has the constitutional wright to fix the compensation of its own rate is not a robbery or a steal in any just sense in which these terms may be the intention of the framers of the constitation that each congress should have the right to settle the question of the compensation of its own members. Had they deemed this indelicate, or in any sense improper, they doubtless would sense improper, they doubtless would have so provided as to relieve at least have so provided as to relieve at least a day may bring forth especially the first congress from this necessity, by in the columns of the anti-railroad in the columns of the columns declaring the compensation of its mem- journal of Arkansas. bers, or by referring the question to some other officer or tribunal; and each succeeding congress, by requiring that their compensation should be fixed by a preoccurs to us that under the constitution congress can fix the salary of members

then known how long congress has been in session and the amount each memory. The State assumes the debt, takes stock ber has expended.

We have always believed that the government would save money by increasing the salaries of congressment. Many members are without private fortupes, and if their salaries are not sufficient to meet the expenses of themselves and families, they can easily and conveniently find merit in some plundering scheme before congress; and thus milltons are voted away which would be saved to the government if members and if not built when burdened by the State's first which Governor Lindsey refused to resorted away which we suppose the State ball when burdened by the State's first mortgage, and if not built the State loses both roads and bonds. There is only one recourse left the legislature of Arkansas. It consists in the absolute limitation of the increased compensation gives a member, and admit that they could not live in Washington on so small a salary. As a contemporary remarks, a large majority of the senators and representatives are married men, and it is unnecessary to urge that they are generally accompanied by their wives, during their service in congress, and the cost of maintaining a member and his during their service in congress, and the cost of maintaining a member and his wife, and, it may be, two or three minor children, with the most commendable save the State from ruin, and at the save the State from ruin, and at the same time assure its rapid aggrandizement.

those law-givers of Arkansas who suptite assignee in bankruptcy to "resale" the assignee in bankruptcy to "resale" is the event of an attempt being made by the assignee in bankruptcy to "resale" is the saving the assignee in bankruptcy would care to explain in detail to their THE CENTRAL UNIVERSITY. constituents. Traveling with them to and from Washington occasions a con-munications published in another col- spring on thirty days notice. siderable item of expense; and arranging his affairs at home for a protracted absence adds to the aggregate. Putting Methodist) University, has fixed upon ful claim of the State of Georgia on the a proper estimate on all of these draw-backs, very few who are fit to make ting an end to all controversy as to its laws for a nation like ours would because the place, thus put-ting an end to all controversy as to its Alabama.

these considerations influenced the minds of not a few of the best men is the senate and in the house who gave man of broad, liberal and comprehensuch sales purchase all the lands em casily be found to fill all the seats in both houses without any compensation from the treasury. But the purpose of paying salaries at all is to enable the paying salaries at all is to enable the purpose of that shall cudure so long as our glorious.

The paying salaries at all is to enable the purpose of the paying salaries at all is to enable the purpose of the paying salaries at all is to enable the purpose of the paying salaries at all is to enable the purpose of the paying salaries at all is to enable the purpose of the paying salaries at all is to enable the purpose of the paying salaries at all is to enable the purpose of the paying salaries at all is to enable the paying people to secure the services of men of mountains last. small means, and of great talents and pure character, to represent them in this than probable that some of those who enruestly opposed its passage were influgers, even as it is deemed indispensable dred inclusive, the State of Alabama enced by an anticipation of this expression of popular disapprobation; who, if put on the witness stand as experts.
